From the airport (STL): (15 miles)

Leave the airport on I-70 West

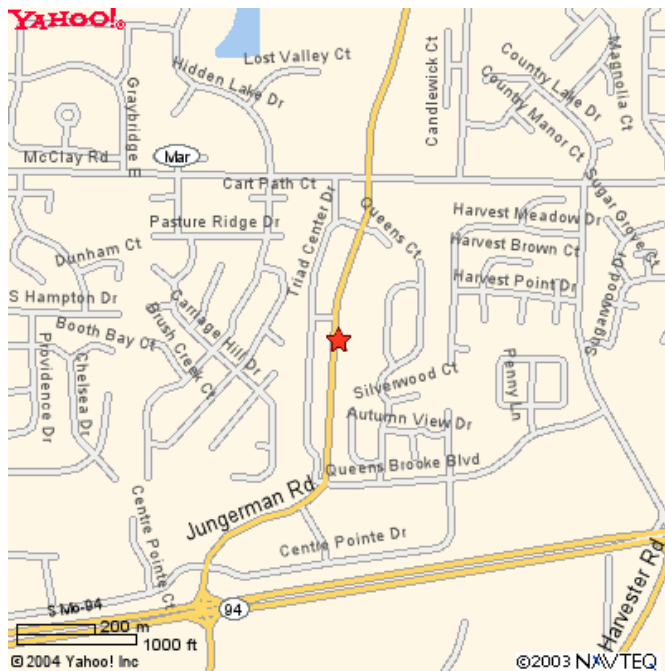

Continue across the river in to St. Charles County, about 8 miles.

Exit at 94 / First Capitol, South

Continue about 4 miles. Partway through, 94 is combined with 364; make sure to follow the signs to remain on 94.

Turn right on Jungermann.

We are in a office/retail center on the right, about ½ mile up the road.

From far west St. Louis County:

Take 40/64 west over the bridge to St. Charles County. Exit at Hwy 94 and go right (North / East).

Go about 6 miles, past quite a few traffic lights.

Turn left on Jungermann. You are getting close to Jungermann when you pass Central School Road.

We are in a office/retail center on the right, about ½ mile up the road.

You can see the sign for them in the street signage for the office/retail center “**Ashleigh Place II**”, near the left end of the center. If you reach Olympic Brake, that is too far.

The map below shows where we are in the St. Louis area. Note that the 364 Page extension is missing on this map, and it usually the best way to get here from St. Louis County.
